Yom Ha'Shoah Remembrance Dedication of the New Sculpture at the NH Holocaust Memorial in Nashua

Sunday 22 May 1:00PM

On Sunday 22 May at 1:00PM Rabbi Henry Morse from Congregation Sha'ar Hashamayim in Stoughton, MA will lead the Holocaust Remembrance at the memorial. Mayor Donchess is scheduled to speak. See the Program, attached.

We will also dedicate a newly installed sculpture named, **“Child Victim in Auschwitz”** dedicated to the memory of one and a half million young children under the age of 13, including one million Jewish children, who were tortured and killed by the Nazis.

This sculpture is based on a very young girl photographed shortly before she was murdered in a gas chamber in Auschwitz, carved into a massive granite stone. The sculptor is Joseph Gray from Gilford, NH

The NH Holocaust Memorial is designed to illustrate what the victims went through, with emphasis on children victims and on the Christians who risked their lives to save Jews.

The public is invited. **Media coverage is requested.**
